The most useful phrasal verbs

Part 2

Cùng tiếng Anh hội nhập văn hóa toàn cầu

Welcome

A phrasal verb is a verb that is made up of a main verb together with an adverb or a preposition, or both. Typically, their meaning is not obvious from the meanings of the individual words themselves.

There are many phrasal verbs in English and each one has a different meaning. The majority of them are slang and occur most frequently in spoken language. This eBook will help you master the most useful phrasal verbs so you can use English as naturally as a native speaker.

Chào bạn!

Cụm động từ (Phrasal verbs) là sự kết hợp giữa một động từ chính và một trạng từ (adverb) hoặc một giới từ (preposition), hoặc là cả hai. Thông thường, ngữ nghĩa của cụm động từ rất khó đoán và dựa vào nghĩa của động từ và giới từ tạo thành nó.

Trong tiếng Anh, có vô vàn các cụm động từ mang ý nghĩa hoàn toàn khác nhau. Phần lớn, chúng đều là tiếng lóng và thường xuất hiện trong các cuộc đối thoại hằng ngày của người bản ngữ. Quyển eBook này giúp bạn nắm vững ý nghĩa và cách sử dụng các cụm động từ thông dụng nhất để có thể dùng tiếng Anh tự nhiên như người bản ngữ.
